

# LEADERSHIP LANCASTER

Connect. Educate. Inspire.

# Annual Alumni Newsletter

Dear Best Classes Ever, Partners, and Friends,

Leadership Lancaster kicked off our 40th anniversary in January 2023, but the celebrations and excitement were there for the entire 2022-2023 program year! If last year is any indication, more excitement is ahead!

We expanded programming options so more of Lancaster County has equitable access to training that connects, educates, and inspires community leadership. This Spring, 110 leaders across five programs graduated in front of friends, family, and LL alumni:

- 78 existing and emerging community leaders participated in the 2023 Core Class
- A cohort of Swahili speakers (including Moses, our first infant graduate) participated in the inaugural nine-week New Americans Leadership Academy for members of our refugee and immigrant communities in partnership with Church World Service and the Lancaster Lebanon IU 13
- The College Core Class, created to inspire the future leaders of our community and offered in partnership with the Thaddeus Stevens College of Technology, grew to include an additional cohort at Millersville University
- Leaders new to Lancaster or new to their executive role completed the six-week Executive Class, strengthening their connections with each other and other community leaders while deepening their understanding of our County
- And of course, we continue to support the development and sustainability of our nonprofit community with Leadership Advantage and Board trainings

Not only that, but our partnership with the City of Lancaster continued with the Neighborhood Leaders Academy, we partnered with Franklin and Marshall College and the Diplomat Leadership Program to connect student leaders with Lancaster County, and our volunteer committee has just selected another 80 community leaders for the upcoming 2024 Core Class! The future is bright!

None of this would have been possible without our alumni, community partners, volunteers, and program facilitators. Thank you for your commitment to transforming Lancaster County with connected, educated, and INSPIRED leaders!

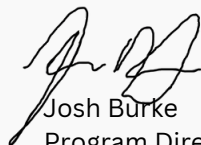

We can't wait to see you in the year to come!

In partnership,

Kate Zimmerman  
Executive Director

kate@leadershiplancaster.org

Josh Burke  
Program Director

josh@leadershiplancaster.org

Mannie Rivera  
Engagement Coordinator

mannie@leadershiplancaster.org

P.S. Join us on September 7 from 5:30-7:30p as we welcome the 2024 Core Class at the Opening Retreat Reception. More information coming soon!

Connect. Educate. Inspire.

## '80s & '90s Core Class Updates

**Steve Geisenberger**  
Core 1984

When Steve Geisenberger embarked on his journey as one of the first participants of the inaugural Core Class, he had a clear understanding that he would gain a wealth of knowledge. Embracing the role of a "guinea pig" in this exciting and enjoyable endeavor, Steve's experience in the Core Class propelled him into a legacy of community engagement, multi-generational LL participation, and exemplary leadership. Following his graduation from the Core Class, Steve actively contributed to numerous community initiatives. He dedicated his time to serving on the Leadership Lancaster Alumni Committee, this involvement led him to serve as a board member for Leadership Lancaster. Through these valuable connections, Steve assumed the role of Chairperson on the Board of Directors at the Lancaster Chamber. Throughout his years of dedicated service to the community, Steve has been recognized with various awards and accolades. Most notably, he was honored with the Exemplar Award at the 150th Chamber Dinner in 2022, acknowledging his significant contributions to community organizations and his unwavering commitment to Lancaster County.

**Tim Henry, Core 1993** - Named to the Power 100 by Central Penn Business Journal.

**Joe Morales Sr, Core 1996** - New position as Director of Equity at Central PA Foodbank.

**Charmayne Brubaker, Core 1999** - Retired from Millersville University.

**Peter Barber, Core 1997** - Awarded Small Businessperson of the Year by the Lancaster Chamber.

### Loved your LL experience?

## '00s Core Class Updates

Heather Valudes is known for her deep affection for Lancaster County and its community and has been an integral part of the Lancaster Chamber for the past decade. Witnessing the transformative power of businesses and organizations on community issues, Heather stepped into the role of President & CEO in June of 2022. Her decision stemmed from a strong desire to enhance the direct link between thriving businesses and a prosperous community. Heather, a graduate of the Core Class of 2010, emphasizes the significant impact Leadership Lancaster had on her journey. Before her involvement with the Chamber, Heather was aware of LL and recognized its potential as a vital community organization. She applied to the program without financial support from her employer, strongly believing that building key connections through LL was the best way for a young individual like herself to engage actively in Lancaster. Ultimately, those connections led to her first role at the Chamber as Advocacy Director. Being a part of Core Class helped Heather lay the foundation of the issues and allowed her to gain a better understanding that has grown over time. In 2023, Heather and the Lancaster Chamber team have plenty of opportunities to engage with the Lancaster community. The Chamber is focused on gathering new perspectives and supporting both established and new businesses in the community!

**Heather Valudes**  
Core 2010

**George Burkholder, Core 2003** - New position as Supply Chain Lead at Advanced Food Products.

**Amy Eidemiller, Core 2005** - New position as Learning and Talent Development Manager at Geo Tech Associates.

Using the portal, alumni are able to:

- Access the Alumni Directory to connect with grads across LL programming since 1984
- Share your leadership story with us
- Keep up to date with LL Events
- See current board and volunteer opportunities
- Donate to ensure a legacy of developing outstanding community leaders to support the needs of Lancaster County

Access the portal by visiting our website and clicking the login icon at the top right

## 10's Core Class Updates

**Kelly McNeil**  
Core 2016

Kelly McNeil, a graduate of the Core Class of 2016, discovered Leadership Lancaster through recommendations from her colleagues at work. Core Class offered an exciting opportunity for Kelly, not originally from Lancaster County, to immerse herself in the community, forge meaningful connections, and enhance her communication skills with fellow leaders and non-profit organizations. After 17 years in the financial services industry, Kelly left her career to establish her own travel agency, J4 Travel, LLC, while also thriving as a remote team member at TravelNet Solutions. She attributes much of her success to the networking and relationship-building skills she gained from the Core Class. Kelly's advice to potential Core Class participants is to seek out accomplished mentors and embrace the journey of growth, even when the path isn't clear. Amidst her dynamic career and life changes, Kelly remains devoted to community service. She actively serves on the advisory board for the Reading Salvation Army, participates in her children's Christian Youth Organization, and contributes to the United Way's Focus Area Panel. These commitments reflect Kelly McNeil's dedication to exemplary leadership.

## '20s Core Class Updates

Ahmed Ahmed, a former refugee who arrived in Lancaster with his family in 1997, was embraced by the welcoming spirit of the Lancaster community. Filled with gratitude, Ahmed dedicated his life to giving back to Lancaster County. Many may recognize him as the Assistant Manager of The Holiday Inn Lancaster, and more recently, as a City Council member since December 2022. Ahmed's participation in the 2022 Core Class and the 2021 Neighborhood Leaders Academy equipped him with invaluable skills in strategic planning, understanding differences, and recognizing the interconnectedness of Lancaster County. These experiences enabled him to foster consensus, work towards long-term goals in local government, and engage with residents from diverse backgrounds. As a councilman, Ahmed's primary focus is ensuring a welcoming environment for all individuals and promoting affordable housing opportunities across Lancaster County. His appointment has exposed him to the City's financial challenges, particularly in generating and diversifying revenue. This has sparked Ahmed's keen interest, leading him to Chair the Finance Committee and utilize his passion and comprehensive understanding to contribute to Lancaster City's fiscal future. To those seeking to get involved in the vibrant community, Ahmed encourages taking the first step and participating in LL programming. From there, Ahmed suggests actively engaging at the grassroots level or volunteering for causes that hold personal significance. He believes that such involvement can lead to unexpected connections and opportunities. Ahmed emphasizes the need to cultivate more leaders within the community, as the future of Lancaster depends on their contributions.

**Ahmed Ahmed**  
NLA 2021, Core 2022

## '20s continued.

Bob Devonshire and Josh Hunter are both graduates of the Core Class of 2022. Their Leadership Lancaster connection proved to be vital shortly after graduation in May of 2022.

As Parks and Recreation Administrator for Lancaster County, Bob identified staffing concerns with lifeguards for the community pools in Lancaster. Despite exhausting internal solutions, it was decided that the pools wouldn't operate for the 2022 Summer season. Josh serves on the YMCA of the Roses Board of Directors and worked hand in hand with his LL classmate to facilitate access to lifeguard training by offering ten free certifications and swim classes to enhance skills for the certification test.

Both Bob and Josh emphasized the transformative power of collaboration and team building within Lancaster. This connection enabled their organizations to meet a community need and develop future relationships to address concerns and issues within our community going forward.

## Executive Class Updates

**Turnier Esperance Jr.**  
2021 Executive Class

Turnier Esperance Junior, originally from Brooklyn and later Queens, New York experienced a culture shock when he moved to Lancaster County at the age of 16. The sight of horse-drawn buggies and the perceived lack of culture and history initially shaped his view of the area. However, after participating in the 2021 Leadership Lancaster Executive Class, he soon discovered the rich history and diverse cultures that thrive in Lancaster County, particularly its significant role in the Underground Railroad. Participating in the Executive Class program allowed Turnier to broaden his knowledge and appreciation for Lancaster's offerings. Inspired by his experiences with Leadership Lancaster, Turnier became actively involved in the community, joining the Lancaster Lebanon Habitat for Humanity as a board member to help provide affordable homes to individuals in our community. Turnier's commitment to making meaningful changes continues to grow as he engages in board meetings and construction projects. His advice to new executives in the area is unequivocal: participate in Leadership Lancaster's Executive Class

**Adrienne Squillace, Exec 2019** - Promoted to Vice President, Private Banker at S&T Bank.
