

Alumni Engagement Challenge: Points Pursuit Extravaganza!

We are thrilled to introduce our new Alumni Engagement Points System, designed to recognize, and celebrate your active participation in the Leadership Lancaster community. Engaging with fellow alumni, attending events, contributing through donations, and inspiring others through your service are all valuable ways to stay connected. Here's your chance to earn points for each meaningful interaction! Whether it's meeting for coffee, attending events, donating, or sharing your volunteer efforts inspired by Leadership Lancaster, every action counts.

We encourage healthy competition among our alumni by implementing a points leaderboard. Each activity earns you points, and at the end of specific periods, we will recognize and reward those with the highest points. Consistency is key, and to spice things up, there will be special challenges and contests with varying point rewards. Additionally, we are introducing the Social Media Ambassador title for the alumni who excel in promoting Leadership Lancaster on social platforms.

Let the friendly competition begin! Check your points on a monthly basis at LeadershipLancaster.org, engage actively, and watch your name climb the leaderboard. Your commitment to the Leadership Lancaster community is invaluable, and we look forward to celebrating your contributions. Thank you for being an integral part of our alumni network.
